

YARIS

The perfect city car, designed for urban life, Yaris fuses progressive Hybrid technology which is ready to go.

Because, when you have the energy to keep going, why stop?

UK specifications will vary.

# DESIGN THAT DRIVES YOU

Designed with passion, driven by obsession. The Yaris seizes the moment through expressive design that conveys its passion for life and love of movement. Bold and distinctive, its wide, compact stance hugs the road with a reassuring strength that belies its agile, dynamic nature.

**BLACK BEAN – KUROMAME**  
The rounded curves and glossy skin of the Japanese Kuromame bean are re-invented throughout the design of Yaris.

**DYNAMIC BULL SHAPE AND STANCE**  
Inspired by the Mighty Bull, Yaris possesses a powerful kinetic energy that is always ready to go.

**'PEAK' ROOF LINE**  
The unbroken line running from the bonnet and extending to the roof creates a natural peak towards the rear of the roof, giving Yaris the stance of a sprinter, poised and ready to take off.

**BOOMERANG REAR BUMPER**  
The boomerang design rear bumper pushes the rear wheels outward for a powerful, planted stance.

**CONDENSED & AGILE**  
Every millimetre is considered: Short overhangs and generous wheelbase put the space where it counts, on the inside.

Mario Majdandzic – Yaris Lead Exterior Designer.

# ELECTRIFY

Built on more than 20 years of experience the new, lightweight lithium ion battery can store more power, whilst the self-charging hybrid system can recover more energy, so you'll produce zero tail-pipe emissions when driving in electric mode on your urban journeys.

UK specifications will vary.

POWER  
YOUR

Yaris comes with a 1.5 litre hybrid engine. With high levels of torque, Yaris seamlessly delivers smooth, linear acceleration. Responsive and nimble in town, it's also perfect on the motorway.

# PERFORMANCE

FOCUSED  
ON  
YOU

From the soft-touch dashboard to the stunning colour, binocular-inspired display, every detail of Yaris is created around you, ensuring ease of use and reduced eye movement. The clean, minimalist design keeps your hands on the wheel and your eyes on the road whilst the low dashboard and compact steering wheel combine to deliver the confidence that only a perfect driving position can give.

# DRIVE CONNECTED

## LIFE HAPPENS WHEN YOU CONNECT

MyT Connected Services are designed to make driving safer and more fun, whether you are inside or outside your vehicle. Through MyT Connected Services you will have access to:

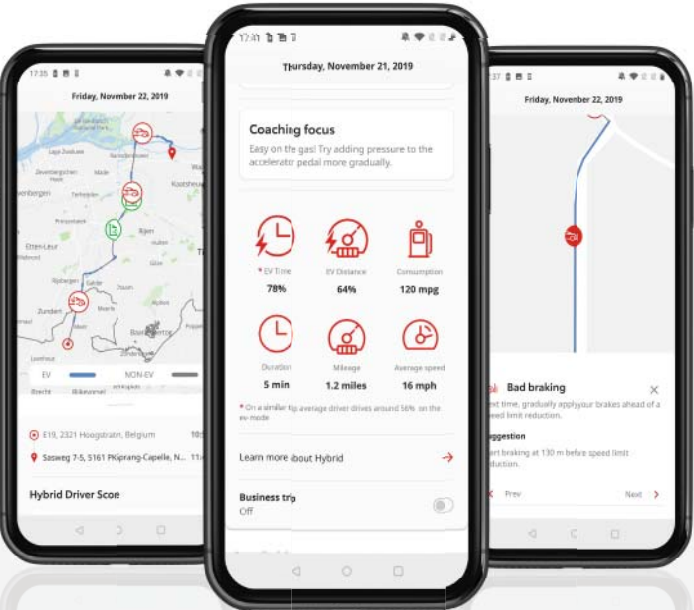

**Locate my car** – Helping you to find your car in busy city centres, large car parks or unfamiliar places

**Hybrid coaching** – Provides analytics on your driving style, together with useful feedback that can help improve your EV driving ratio and improve your fuel efficiency

**Maintenance reminders** – Review your service history and book a service online

**Smartphone integration** – via Apple CarPlay and Android Auto™ you can also use your favourite apps like Spotify, WhatsApp, Audible, Google Maps and Waze, all accessible via Siri voice assist and Ok Google without taking your hands off the steering wheel.

Apple CarPlay is a trademark of Apple Inc.

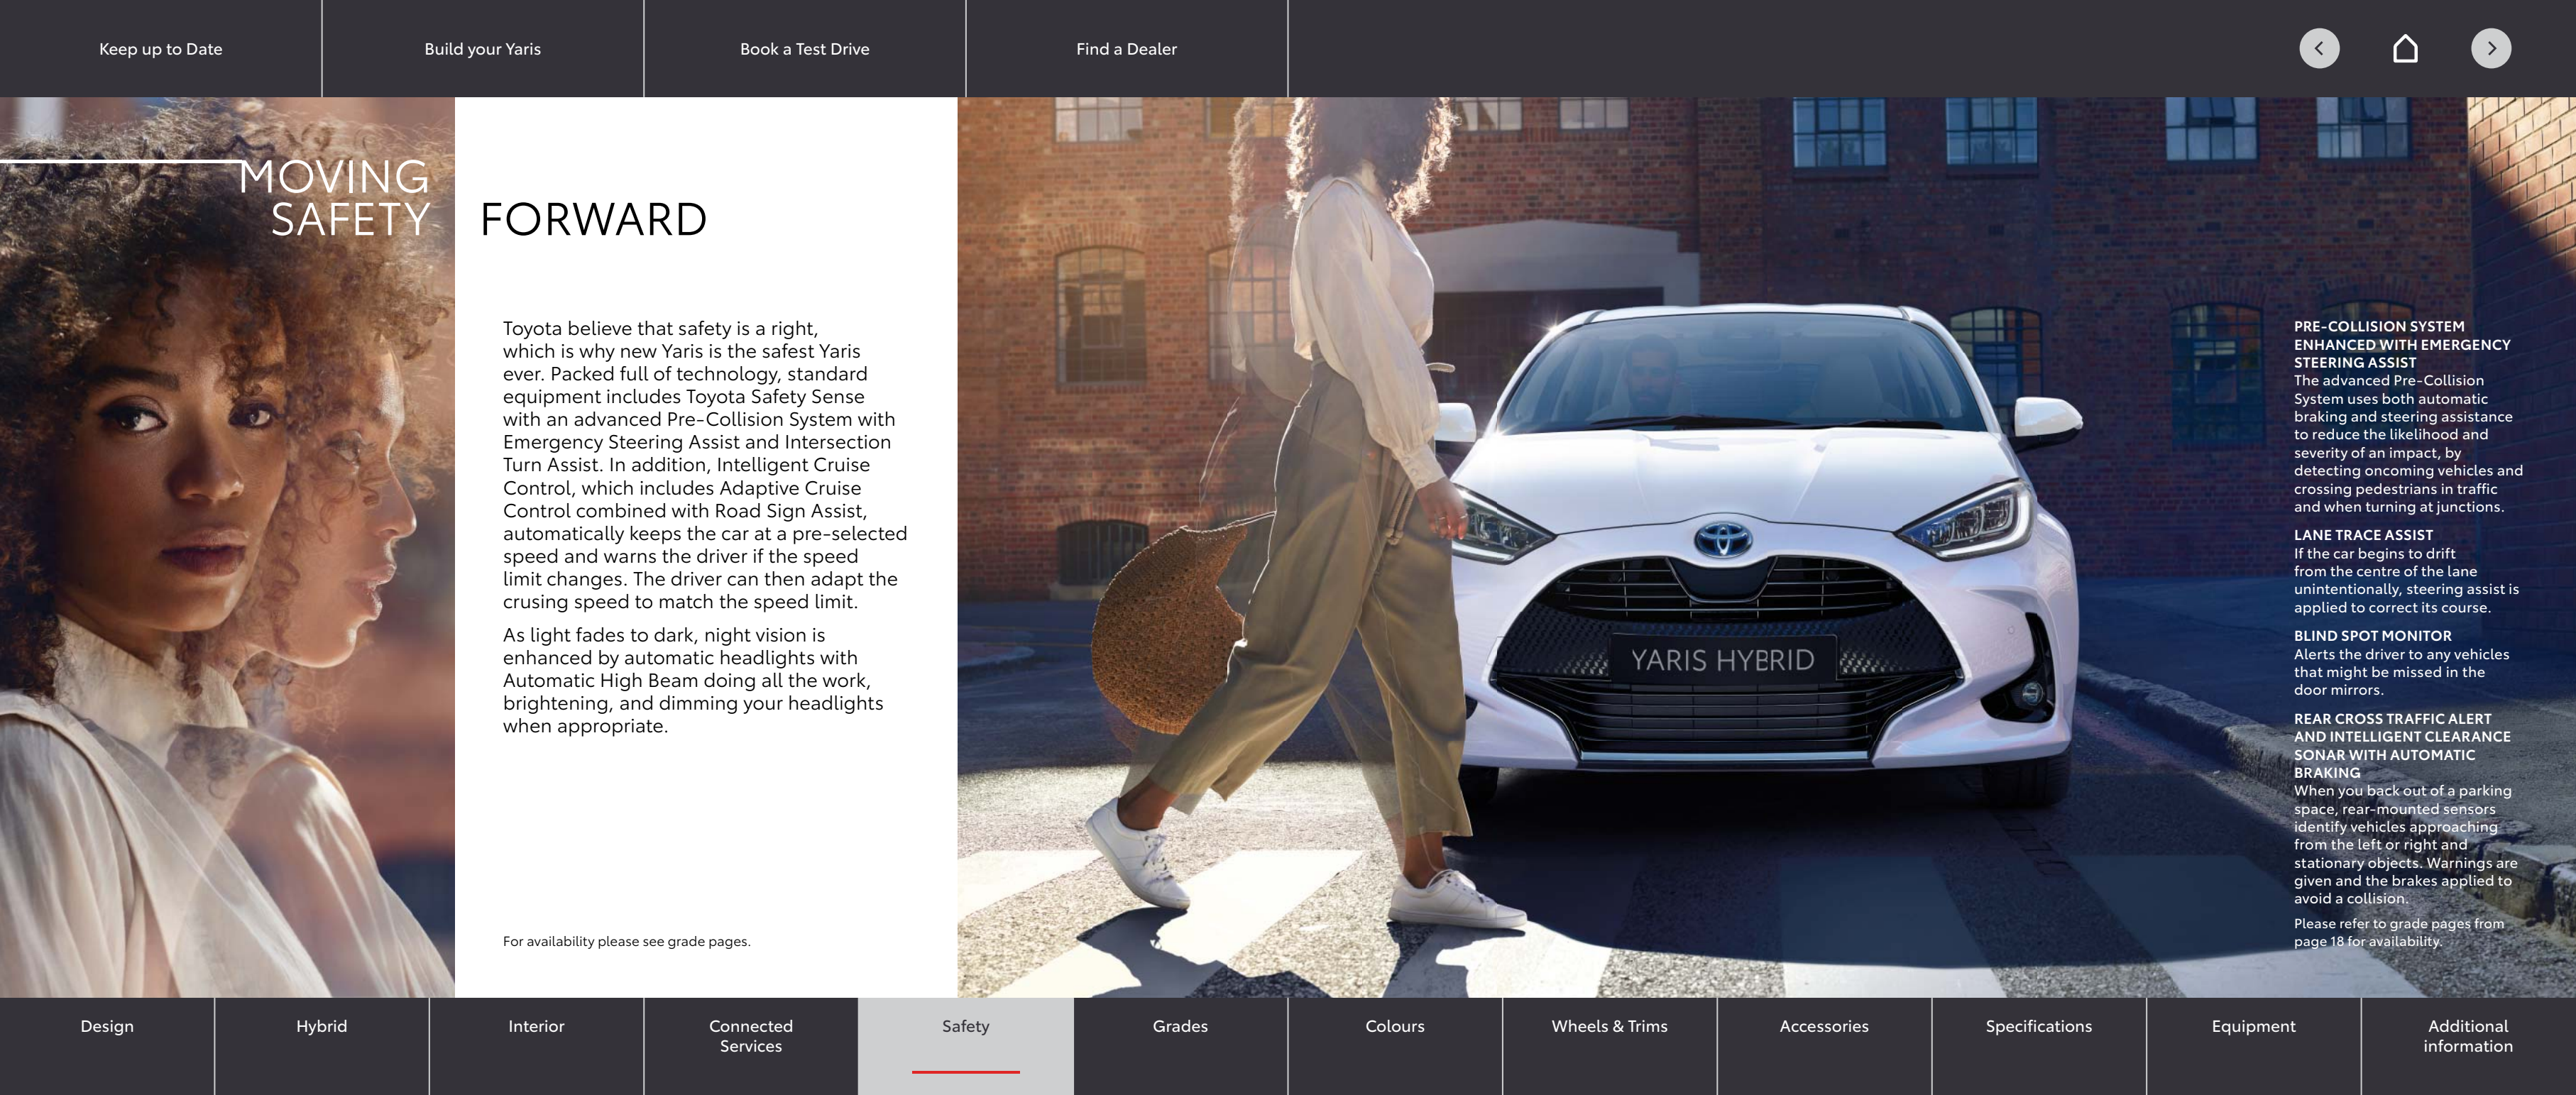

Images for illustration purposes only.

# MOVING SAFETY

# FORWARD

Toyota believe that safety is a right, which is why new Yaris is the safest Yaris ever. Packed full of technology, standard equipment includes Toyota Safety Sense with an advanced Pre-Collision System with Emergency Steering Assist and Intersection Turn Assist. In addition, Intelligent Cruise Control, which includes Adaptive Cruise Control combined with Road Sign Assist, automatically keeps the car at a pre-selected speed and warns the driver if the speed limit changes. The driver can then adapt the crusing speed to match the speed limit.

As light fades to dark, night vision is enhanced by automatic headlights with Automatic High Beam doing all the work, brightening, and dimming your headlights when appropriate.

For availability please see grade pages.

## PRE-COLLISION SYSTEM ENHANCED WITH EMERGENCY STEERING ASSIST

The advanced Pre-Collision System uses both automatic braking and steering assistance to reduce the likelihood and severity of an impact, by detecting oncoming vehicles and crossing pedestrians in traffic and when turning at junctions.

**LANE TRACE ASSIST**  
If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.

**BLIND SPOT MONITOR**  
Alerts the driver to any vehicles that might be missed in the door mirrors.

**REAR CROSS TRAFFIC ALERT  
AND INTELLIGENT CLEARANCE  
SONAR WITH AUTOMATIC  
BRAKING**  
When you back out of a parking space, rear-mounted sensors identify vehicles approaching from the left or right and stationary objects. Warnings are given and the brakes applied to avoid a collision.

Please refer to grade pages from page 18 for availability.

Nitrogen Oxide, NOx (mg/km)	9.5	
Sound level drive by (dB(A))	70.0	
<p><b>Quoted mpg and CO<sub>2</sub>:</b> The fuel consumption, CO<sub>2</sub> and noise values are measured in a controlled environment on a basic production vehicle, in accordance with the requirements of European law published by the European Commission. For further information, or if you are interested in buying a basic production vehicle, please contact Toyota Motor Europe NV/SA. The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured. Driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, installed equipment, load, number of passengers, ...) play a role in determining a car's fuel consumption and CO<sub>2</sub> emissions. All vehicles are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). CO<sub>2</sub> figures (and hence car tax and recommended 'on the road' prices) may differ from information printed before 1 April 2020, due to a change in the official method of calculation. This date may change, please visit <a href="http://www.vehicle-certification-agency.gov.uk/fcb/wltp.asp">www.vehicle-certification-agency.gov.uk/fcb/wltp.asp</a> for the latest information. Please contact your local Toyota Centre for further information.</p>

# OWNING YOUR YARIS

**Servicing your Toyota**  
Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle's age, mileage and service history.

For more information visit [toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance](https://www.toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance)

**Service Plans**  
Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit [toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance](https://www.toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance)

**Toyota Price Repairs**  
We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your vehicle will always be dealt with by a trained Toyota technician.

For more information visit [toyota.co.uk/owners/parts-accessories/parts](https://www.toyota.co.uk/owners/parts-accessories/parts)

**MyT**  
Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **MyT**. Packed with time-saving and convenient features, **MyT** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit [toyota.co.uk/mytoyota](https://www.toyota.co.uk/mytoyota) or download the **MyT** app now available on iTunes and Android.

**Toyota Accessories**  
Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit [toyota.co.uk/owners/parts-accessories/parts](https://www.toyota.co.uk/owners/parts-accessories/parts)

**Toyota Roadside Assistance**  
When you buy a new Toyota you will automatically receive 12 months' Roadside Assistance in the UK and Europe, free of charge. After the first year you can renew this cover at £76 for 12 months or £135 for 24 months by calling 0344 701 6201 or visiting [toyota.co.uk/roadside-assistance/](https://www.toyota.co.uk/roadside-assistance/)

**Get up to 10 years/100,000 miles Toyota Warranty\***  
Every new Toyota comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every qualifying service.

For more information visit <https://www.toyota.co.uk/owners/toyota-warranty>

**Corrosion Cover**  
The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

**Rust and Paint Cover**  
The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

**Toyota Business Centre**  
Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

For more information visit [toyota.co.uk/business-customers](https://www.toyota.co.uk/business-customers)

**Toyota Motor Insurance**  
Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

**Flexible Finance from Toyota Financial Services**  
All our plans offer easy budgeting and peace of mind, and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

\* Terms and conditions apply. For full details, please ask your official ToyotaCentre or visit <https://www.toyota.co.uk/owners/toyota-warranty>

# TOYOTA 2050 ENVIRONMENTAL CHALLENGE & ENVIRONMENTAL LIFECYCLE POLICY

## TOYOTA ENVIRONMENTAL CHALLENGE 2050

Announced in 2015, our global Environmental Challenge 2050 comprises of six challenges. They cover every aspect of our business, our exploration of new products and technologies, and our role as an enabler for individuals and communities to learn about and improve the natural world around them.

For more information regarding Toyota Environmental Challenge please visit: [toyota.co.uk/world-of-toyota/environment/environmental-challenge-2050](https://toyota.co.uk/world-of-toyota/environment/environmental-challenge-2050) or contact your local Toyota retailer.

### CHALLENGE 1 NEW VEHICLE ZERO CO<sub>2</sub> EMISSIONS

By 2050, we want to reduce the CO<sub>2</sub> emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

### CHALLENGE 4 MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

### CHALLENGE 2 LIFE CYCLE ZERO CO<sub>2</sub> EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle\*.

### CHALLENGE 5 ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Yaris is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'. We are pursuing full life cycle management for battery recovery & reuse and remanufacturing green parts.

### CHALLENGE 3 PLANT ZERO CO<sub>2</sub> EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

### CHALLENGE 6 ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

The Toyota Yaris is built to the highest quality standards at TMMF in France.

# INSPIRING THE WORLD TO MOVE

Over 85 years of innovation have brought us our greatest mission yet: giving the freedom of movement to humankind. That’s why Toyota is the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committee and proud partner of Team GB and ParalympicsGB.

We are committed to making movement better for everyone, whether that be across a country, a city or across a room, because when you are free to move, anything is possible.

START YOUR  
**IMPOSSIBLE**

## TOYOTA YARIS

[WWW.TOYOTA.CO.UK/NEW-CARS/YARIS](http://WWW.TOYOTA.CO.UK/NEW-CARS/YARIS)

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Figures are provided for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures tested to the same technical procedures. These figures may not reflect real life driving results. All vehicles are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). Please visit the Vehicle Certification Agency website for the latest information. Choice of accessories fitted (pre-registration) may affect the official CO<sub>2</sub> figures, car tax and 'on the road' price. Please visit [www.vehicle-certification-agency.gov.uk/fcb/wltp.asp](http://www.vehicle-certification-agency.gov.uk/fcb/wltp.asp) for the latest information. Please contact your local Toyota Centre for further information.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
