

# THE ALL-NEW RX

## FEEL EXHILARATED

"For the All-New RX we were determined to keep the Lexus DNA of supreme quality, ride comfort and refinement and elevate the driving experience to the next level, delivering a unique Lexus driving signature."

KOJI SATO,  
PRESIDENT OF LEXUS INTERNATIONAL

# CREATED TO STAY AHEAD

## THE STUNNING ALL-NEW LEXUS RX.

The story of the All-New RX excites from the start, with an iconic luxury SUV created to turn heads. Its daring new 'spindle body' design and the sweeping lines give the 5th generation RX immense confidence. This is complimented by the sleeker, sharper triple LED headlights that underline the car's bold look. For a coupé-like feel, the signature black rear pillar (we call it a 'floating roof') is now more three-dimensional in appearance, plus the RX offers a longer wheelbase and larger 21" wheels.

To the rear, the single-line Lexus signature lights combine with the wider track to enhance the car's road presence. The introduction of the new "LEXUS" badge on the tailgate creates a clean and contemporary look. The F SPORT features are enhanced by the execution of the front grille, skirts and the aerodynamic bumpers. This grade will be only offered on the RX 500h Performance Hybrid.

## THREE WAYS TO POWER

The RX line-up is completely electrified. The RX 450h+ Plug-in Hybrid features a 2.5-litre hybrid drivetrain and lithium-ion EV battery with 18.1 kWh.

The new RX 500h Performance Hybrid is the first-ever Lexus turbo-charged hybrid. With power coming from a completely new hybrid system consisting of a 2.4-litre turbo petrol engine and 6-speed automatic transmission, it delivers 371 DIN hp and 645 Nm of torque for rapid acceleration and superb dynamics thanks to its DIRECT4 drive force control system.

Finally, the RX 350h 4th generation Self-Charging Hybrid delivers both seamless acceleration and improved efficiency.

## A DRIVE LIKE NO OTHER

With the lighter yet more rigid platform, lower centre of gravity and new multi-link rear suspension, these electrified drivetrains are producing more than just power and extraordinary efficiency. They're forming seamless communication between car and driver, creating a rewarding driving experience. To enjoy it at its best, drive the exhilarating new RX 500h F SPORT with its DIRECT4 drive force control system.

FEEL LUXURIOUS

# WELCOME TO LEXUS COMFORT

THE INTERIOR OF THE ALL-NEW RX BLENDS TRADITION WITH  
FUTURE, RESULTING IN A UNIQUE STYLE OF LUXURY.

'Omotenashi' is a word you hear a lot at Lexus. This ancient Japanese philosophy of hospitality centres around anticipating a guest's needs even before they arise. Slide inside the cabin of the new RX and you can tell the famed Lexus Takumi craftspeople have been at work, bestowing a deep sense of Omotenashi on driver and passengers in equal measure.

## DRIVER-FOCUSSED CABIN

First, there's the driver-centred 'Tazuna' cabin, with controls such as the large Head-Up Display and instruments precisely positioned to ensure relaxed concentration on the road ahead. Then, there's the varied ambient lighting with a choice of 64 colours, creating an ambience tailored to your mood.

Beautifully purposeful and intuitive, the RX interior provides a feeling of spaciousness, with generous legroom and a clean design. For the first time you can choose a leather-free interior with seats, steering wheel and gearshift all covered in high quality Tahara trim. The finest materials in the hands of experienced artisans have created an environment of contemporary luxury. You can also enjoy leather seats and wood inserts on Takumi grade and smooth leather on Premium and Premium Plus Packs and F SPORT Performance grade.

## FIRST CLASS PASSENGER EXPERIENCE

For the passenger, the emphasis is on well-being and luxury. Alongside top-class accessibility and excellent support, the Takumi-crafted seating offers comforts like heating and ventilation. Passengers can also enjoy the new 21-speaker Mark Levinson® Premium Surround Sound audio, optimised for the RX's interior architecture.

The cabin of the RX F SPORT befits the car's sporting aspirations, with Black or Dark Rose leather seats, smart F Aluminium inlays and motorsport-style suede seat bolster inserts for extra grip.

FEEL REASSURED

## SAFETY FIRST, ALWAYS CONNECTED

SAFER, MORE ENJOYABLE DRIVING IS THE GOAL OF THE INNOVATIVE TECHNOLOGY ON BOARD THE ALL-NEW RX.

### NEXT-LEVEL SAFETY

The enhanced 3rd generation Lexus Safety System+ gives you constant support, monitoring the road ahead, alerting you of impending danger and, where required, intervening in milliseconds to avoid collisions. The new Proactive Driving Assist supports you in driving more safely and even intervenes with pedestrians and obstacles. Also new is Driver Monitor, which will emit an alert, or can even decelerate and stop, if it detects you are drowsy or distracted at the wheel. Meanwhile, Safe Exit Assist automatically prevents doors from opening if traffic like cars or bicycles are approaching from behind.

### GET THE BIG PICTURE

For easier driving in confined spaces, the Digital Panoramic View Monitor creates a virtual 3D image of the RX, showing the car from above, with on-screen guides to assist close-quarter manoeuvring. Side Clearance View helps you judge clearances when passing another vehicle on a narrow road. The Advanced Park system will even park your RX, with automated control of steering and braking.

### HUMAN-CENTRED TECHNOLOGY

Standard on all RX models, the large 14" HD touchscreen is ideal for displaying your favourite Apple or Android smartphone apps. The system boasts cloud-based navigation with over-the-air updates, so you always enjoy the latest information.

With the latest Lexus Link Pro app, you can enjoy handy connected services such as remotely checking your car is locked, setting the climate control ahead of a journey, and illuminating the hazard lights to help spot your car in a busy car park. In addition to driving analytics, fuel level monitoring and a "find my car" function from the convenience of your smartphone, for the RX 450h+ there are EV-specific features such as monitoring the level of battery charge and scheduling and scheduling how you charge.

FEEL VALUED

# BE OUR GUEST

## HOW WE TREAT OUR CUSTOMERS IS GUIDED BY AN ANCIENT JAPANESE PHILOSOPHY OF HOSPITALITY.

Translated from the Japanese as ‘hospitality and polite service’, Omotenashi is about much more than excellence of service; it is an ancient concept centred around anticipating the needs of another, even before they arise. Omotenashi influences how we design and engineer our cars at Lexus, and equally how we treat you, the Lexus owner. Not just at the point of sale but over the life of your car. We want you to feel valued in every interaction you have with us. To feel more than a customer.

### ADDITIONAL BENEFITS

#### 3 YEARS' FREE LEXUS ROADSIDE ASSISTANCE

Whatever the situation, when you’re driving your Lexus, we’re just one call away with expert support at the roadside 24 hours a day, everyday of the year.

Free for three years from initial purchase of a new vehicle, 24 hours a day, 365 days a year assistance anywhere in the UK.

#### Home Start

One in four breakdowns happen at the home address. Home Start allows you to enjoy all the benefits of Lexus Roadside Assistance from your home address.

#### Personal assistance

Lexus Roadside Assistance is designed to look after you – not just your vehicle. So even if you are a passenger in someone else’s car you can still receive Lexus Roadside Assistance.

#### Roadside Assistance

Replacement vehicle  
A replacement vehicle will be provided free of charge (excluding petrol and other consumables) for up to three days, provided we have taken your vehicle to a Lexus Centre for repairs following a breakdown.

Hotel accommodation  
If a replacement vehicle is unavailable, we will arrange a hotel for you and your family for up to £150 per person to a maximum of £500, for one night.

Onward travel  
If a replacement vehicle is unavailable and you would like to make your own travel arrangements following a breakdown, we will reimburse the cost of this up to £150 per person, to a maximum of £500.

European travel  
If you travel across Europe your Roadside Assistance will travel with you, whether you are driving your Lexus or another car.

Medical assistance  
If the driver of the car is certified ill, we will take you and your passengers to any single destination in the UK.

Lost or broken keys  
If you lose or break your keys, Lexus Roadside Assistance will arrange for recovery of your vehicle to a local Lexus Centre. You will be responsible, however, for the cost of replacement keys.

Whether as a private or fleet driver, you'll experience Omotenashi each time you visit our showrooms. In the warm reception on hand from friendly staff intent on welcoming you. In the inviting atmosphere and impressive facilities of the lounge, where you can enjoy refreshments, catch up on news, enjoy high-speed Internet or carry on with your work. And in the knowledge that our Lexus technicians are working with precision and efficiency to get you back on the road with minimum interruption to your day.

### WARRANTIES

#### THREE-YEAR COMPREHENSIVE WARRANTY

Any defect that is attributable to a manufacturing or an assembly defect under normal use is covered by your warranty. This provision applies for a period of three years or 60,000 miles, whichever comes first, with no mileage limit for the first year. In the event of a breakdown immobilising your Lexus, the cost of recovering it to the nearest Lexus Centre is also covered if that breakdown is the result of a warrantable defect.

#### GET UP TO 10 YEARS/100,000 MILES LEXUS WARRANTY\*

Every new Lexus comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every qualifying service.

#### THREE-YEAR SURFACE RUST AND PAINTWORK WARRANTY

The warranty offers three years of cover for surface rust and paint defects appearing on any of the painted body panels due to a fault in material or workmanship. There is no mileage restriction on this.

#### 12-YEAR CORROSION PERFORMANCE WARRANTY

A 12-year unlimited mileage warranty covers the vehicle against rust perforation through any sheet metal body panel (subject to certain exclusions specified in the warranty booklet) occurring as a result of a manufacturing or assembly defect in the vehicle. The warranty booklet supplied with each new vehicle gives full details. This warranty is also transferable to subsequent owners.

#### EV WARRANTY

The warranty covers any defect that is attributable to a manufacturing or assembly fault under normal use for a period of 5 years or 60,000 miles, whichever comes first, with no mileage limitation for the first year for the following EV main system components:

#### The EV Motor

The EV system inverter and converter  
For full EV Battery degradation below 70% of initial capacity will be covered for a period of 8 years or 100,000 miles, whichever comes first, with no mileage limitation for the first year.

#### SERVICE PLANS

Service plans are a flexible way of managing the cost of servicing your Lexus. With a service plan you can ensure that your vehicle is maintained to the standards you would expect from Lexus-trained technicians fitting the highest quality Lexus parts\*\*. The Approved Pre-Owned service package can be tailored to your needs. Please contact your local Lexus Centre for a quote.

\* Terms and conditions apply. For full details, please ask your official Lexus Centre, or visit [www.lexus.co.uk/owners/warranty/lexus-warranty](http://www.lexus.co.uk/owners/warranty/lexus-warranty)    \*\* The service plans exclude cambelt/timing chain changes.

#### Accuracy and specification

All information contained in this brochure was correct at the time of going to print. Please note that while every effort is made to reproduce accurate information, we reserve the right to change specification, equipment and availability without prior notice. Images shown in this brochure may not be of UK models (for example, they may show left-hand drive vehicles) and may illustrate equipment that is only available on selected grades. Therefore, this brochure cannot be regarded as infallible and, as such, does not constitute an offer for sale of any particular vehicle shown.

#### Fuel consumption and emissions data

Figures are provided for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO<sub>2</sub> produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO<sub>2</sub> figures quoted are full WLTP figures.

The official CO<sub>2</sub> figures for vehicles have changed, due to a change in the official method of calculation. CO<sub>2</sub> figures are used in the calculation of Vehicle Excise Duty (car tax) for new cars during their first year of registration. As a result, all CO<sub>2</sub> figures, car tax and 'on the road' prices for new vehicles, which were provided or displayed prior to 1 April 2020, may now have changed for vehicles which were not registered before that date. These dates may change, please visit [www.vehicle-certification-agency.gov.uk/tcb/wltp.asp](http://www.vehicle-certification-agency.gov.uk/tcb/wltp.asp) for the latest information.

Choice of options and accessories fitted (pre-registration) may affect the official CO<sub>2</sub> figures, car tax and 'on the road' price.

For details of your preferred model and grade derivative, please contact your local Lexus Centre.

#### Safe driving

Lexus is committed to promoting safe and responsible driving at all times. None of the images contained in this brochure should be taken to promote any unsafe driving practice. All sound, entertainment and navigation accessories that may be included in our vehicles should always be used alongside legal and attentive driving. Additionally, any driver assistance and other safety features included in our vehicles are not designed to substitute safe and careful driving.

#### End-of-life vehicles

Taking care of the environment is a priority for Lexus. We strive to minimise the environmental impact of our vehicles throughout their life cycle - from design, production, distribution, sales and service to end-of-life. For more detailed information on environmental performance, please visit [www.lexus.co.uk/environment](http://www.lexus.co.uk/environment)
